Office of General Counsel

H. R. 9500 passed Senate on 16 July. It was an extension of present law for one year. This bill, H. R. 11787, passed House on 13 July. Now in Senate Committee. Time in present session is pretty short for passage. Section 1(a)(3) of this bill is not acceptable to CIA, since most of our alien employees would not be covered under any circumstances.
